<p>7IM Matterhorn Fund</p>	<p>The investment objective of the 7IM Matterhorn Fund is to provide long term capital and income growth by gaining exposure to a broad range of investments which may include equities, fixed interest securities and alternative strategies, principally through investment in collective investment schemes (including those managed or operated by the ACD). The Fund may also invest in other transferable securities, money market instruments, deposits, cash and near cash. The Fund has no particular emphasis on any geographical areas or any industrial or economic sector. The fund may use derivatives for investment purposes or for Efficient Portfolio Management as appropriate.</p>	<p>The investment objective of the 7IM Matterhorn Fund is to provide long term capital and income growth by gaining exposure to a broad range of investments which may include equities, fixed interest securities and alternative strategies, principally through investment in collective investment schemes (including those managed or operated by the ACD).
